(a) The Medicaid Provider Relief Fund ("the Fund") is created as a special fund in the State treasury. The Fund is created for the purpose of paying medical bills for which the State is responsible under Title XIX of the Social Security Act and under the Children's Health Insurance Program Act.

(b) The Fund shall consist of the following:

(1) All moneys received by the State from short-term borrowing pursuant to the Short Term Borrowing Act or the Medicaid Liability Liquidity Borrowing Act on or after the effective date of this amendatory Act of the 93rd General Assembly and before July 1, 2004.

(2) All federal matching funds received as a result of expenditures that are attributable to moneys deposited into the Fund.

(3) Interest earned on moneys in the Fund.

After July 1, 2004, the State Treasurer and the Comptroller shall automatically transfer all moneys deposited into the Medicaid Provider Relief Fund from that Fund to the General Revenue Fund.

The total transfer under this Section from any fund in any fiscal year shall not exceed the lesser of 8% of the revenues to be deposited into the fund during that year or 25% of the beginning balance in the fund. No transfer may be made from a fund under this Section that would have the effect of reducing the available balance in the fund to an amount less than the amount remaining unexpended and unreserved from the total appropriation from that fund for that fiscal year. This Section does not apply to any funds that are restricted by federal law to a specific use or to any funds in the Motor Fuel Tax Fund, ~~or~~ the Hospital Provider Fund, ~~or~~ the Medicaid Provider Relief Fund. Notwithstanding any other provision of this Section, the total transfer under this Section from the Road Fund or the State Construction Account Fund shall not exceed 5% of the revenues to be deposited into the fund during that year.

Section 20. The Illinois Public Aid Code is amended by adding Section 5-16.13 as follows:

(305 ILCS 5/5-16.13 new)

Sec. 5-16.13. Medicaid Managed Care Task Force.

(a) Medicaid, the medical assistance program jointly administered by the State of Illinois and the United States governments for low-income and uninsured populations, is the largest single insurance provider in the State. In Illinois, one in every 7 adults, one in 3 children, and 2 of every 3 nursing home residents are all provided health care under the State's Medicaid program.

Over the past 10 years, Medicaid in Illinois has grown an average of 8% annually, which requires at least \$500,000,000 in additional State resources every year.

Medicaid in Illinois is a cost-reimbursement system that does little to promote health or encourage improvements in the quality of health care services being delivered to the growing populations needing assistance.

The advent of managed care plans in the insurance industry has driven down health care costs for many while amply managing individual needs in a system to deliver cost-efficient health care services.

(b) To better examine and evaluate the application of managed care within the State's Medicaid program, there is hereby established the bipartisan Medicaid Managed Care Task Force.

The Task Force shall consist of 8 voting members, as follows: 2 members of the Senate appointed by the President of the Senate, 2 members of the Senate appointed by the Senate Minority Leader, 2 members of the House of Representatives appointed by the Speaker of the House of Representatives, and 2 members of the House of Representatives appointed by the House Minority Leader. All actions of the Task Force require the affirmative vote of at least 5 voting members.

Members appointed to the Task Force shall elect from among themselves 2 co-chairs.

Members appointed by the legislative leaders shall be appointed for the duration of the Task Force; in the event of a vacancy, the appointment to fill the vacancy shall be made by the same legislative leader who made the original appointment.

The following persons shall serve, ex officio, as nonvoting members of the Task Force: the Director of the Governor's Office of Management and Budget, the Director of Public Aid, and the Secretary of Human Services.

The Task Force shall begin to conduct business upon the appointment of a majority of the voting members. If the co-chairs have not both been appointed, the co-chair that has been appointed shall preside.

Members shall serve without compensation but may be reimbursed for their expenses from appropriations for that purpose.

(c) The Task Force shall gather information and make recommendations relating to the financing and expenditures of the Illinois Medicaid program and the program's level of ability to provide quality health care services in the most cost-efficient manner. The Task Force shall examine and evaluate the application of managed care within the State's Medicaid program. The Task Force shall further assess whether the State's Medicaid services delivery system meets or exceeds the goals of quality, efficiency, accountability, and financial responsibility and shall make recommendations in keeping with those goals concerning the cost-efficient delivery of Medicaid services throughout Illinois.

(d) The Task Force shall conduct at least 6 public hearings beginning the later of July 2004 or upon the appointment of a majority of its members, through October 2004.

Locations for public hearings are to be different and determined by the co-chairs in consultation with the other members of the Task Force.

Comment and testimony at public hearing is to be sought from Medicaid recipients, health care providers and other health care professionals, related advocates, health care finance experts, insurance industry professionals, and public officials from throughout the State.

(e) The Governor's Office of Management and Budget, the Department of Public Aid, and the Department of Human Services are directed to provide information and assistance to the Task Force.

(f) The Task Force shall submit a full report of its findings and recommendations to the General Assembly not later than November 8, 2004. It may submit other reports as it deems appropriate.

(g) The Task Force is abolished and this Section is repealed on December 31, 2004.

Section 99. Effective date. This Act takes effect upon becoming law."

And the amendment was adopted, and ordered printed.

There being no further amendments, the bill, as amended, was ordered to a third reading.

The bill was taken up, read by title a first time, ordered printed and referred to the Committee on Rules.

PRESENTATION OF RESOLUTION

Senator Watson and all Senators offered the following Senate Joint Resolution and, having asked and obtained unanimous consent to suspend the rules for its immediate consideration, moved its adoption:

SENATE JOINT RESOLUTION NO. 87

WHEREAS, The members of the Illinois General Assembly were deeply saddened to learn of the death of President Ronald Reagan on June 5, 2004; and

WHEREAS, Ronald Reagan was born on February 6, 1911, in Tampico, Illinois, the first American President born in Illinois; as a youth, he worked as a lifeguard at Lowell Park in Dixon, Illinois, and he graduated from Eureka College, located in Eureka, Illinois; and

WHEREAS, Ronald Reagan was a man of humble beginnings, working as a radio announcer, entertainer, union leader, and corporate spokesman; and

WHEREAS, His marriage to actress Jayne Wyman gave him three children: Maureen, an adopted son Michael, and Christine, who was born four months premature and died the day after her birth; and

WHEREAS, Ronald Reagan later married Nancy Davis on March 4, 1952, his steadfast partner for the next 52 years, who served her country with distinction as First Lady, who would later make public appearances on behalf of her ailing husband, and who became the primary caregiver for the aging President; together, Ronald and Nancy had two children, Patti and Ronald; and

WHEREAS, Ronald Reagan was elected to two terms as Governor of California, bringing conservative politics to the forefront in California, taking office with a sizeable state budget deficit, reducing taxes, and leaving the Governor's Office eight years later with a modest financial surplus for California; and

WHEREAS, After two previous unsuccessful bids for the Republican nomination, on November 4, 1980, Ronald Reagan was elected President of the United States of America; on January 20, 1981, at the age of 69, Ronald Reagan was sworn in as the country's 40th president, to quickly become known to the world as the "Great Communicator"; and

WHEREAS, President Reagan worked to restore the founding principles of this country by upholding individual responsibility and personal liberty; his actions and words sent a strong message, both domestically and globally, that the United States remained vigilant and that he, as President, would use the country's strengths to the advantage of the American people; and

WHEREAS, By rebuilding the U.S. military, the country regained a formidable position from which America could better fight the Cold War, standing against the Soviet Union, and ultimately, bringing down the Iron Curtain once and for all; his foreign policies further helped to bring about the collapse of the Berlin Wall without bloodshed or loss of life, offering the German people the support and fortitude of the American principle of freedom; and

WHEREAS, Many at the time were critical of "Reaganomics" and its overall effect on the country's economy; today many historians and economists believe that the principles and doctrines worked to restart the California economy and worked to revive a Nation and its financial structure; and

WHEREAS, The social reforms proposed by President Reagan were similarly criticized; when he first proposed that welfare recipients should be required to work, he was rebuked as being cruel and unjust, but today to do otherwise would jeopardize the welfare recipients' dignity; and

WHEREAS, After eight years in the Oval Office, in January 1989, President Reagan returned to his California ranch, and on November 4, 1991, the Ronald Reagan Presidential Library in Simi Valley, California was dedicated; and

[June 9, 2004]

WHEREAS, On November 5, 1994, President Reagan disclosed that he had been diagnosed with Alzheimer's disease, continuing to show courage and fortitude by publicly facing the debilitating disease of age; and

WHEREAS, On October 11, 2001, President Reagan became the longest-lived president ever, besting the nation's second President, John Adams, who had lived 91 years; and

WHEREAS, On July 12, 2003, the United States Navy commissioned its newest aircraft carrier, the "USS Ronald Reagan", the first carrier to be named for a living president; and

WHEREAS, On June 5, 2004, the world was told its faithful servant, President Ronald Reagan, had passed away at his home in California; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that we mourn the loss of President Ronald Reagan, while we honor and celebrate his dedication and service to the People of the United States of America and the world at large; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Ronald Reagan Presidential Library, to the Ronald Reagan Museum at Eureka College, and to the family of President Reagan.

The Motion prevailed.

And the resolution was adopted.

Ordered that the Secretary inform the House of Representatives thereof and ask their concurrence therein.
